About me

Greetings, ladies and gentlemen.

I am a **self-made Graphic Designer** and **WordPress Developer** with **10 years** of experience. My expertise lies in creating visually compelling designs and developing seamless, user-friendly websites.

I am also an pharmacist, but that's another story never to be told.

Still there?

I know you are more excited to see **my work.**

DIRECTOR'S PROFILE

02

Brendon Inniss is a registered professional structural engineer (BOETT) for the last 18 years and has been the en-gineer of record on a broad spectrum of projects from small (4100K) to mega (TT\$300M); in Trinidad and Tobago and the Eastern Caribbean.

Range of projects include: warehous-es, multi-storey commercial & resi-dential buildings; schools; hotel re-sorts, and houses.

Educated at UWI St. Augustine, he ob-tained his BSc and MSc in 2002 and 2010 re-spectively and is a member of the APETT, PTI and ASCE.

Brendon also has extensive experi-ence in the oil, gas, chemical and power energy sector having been in-volved in the designed of equipment and tank foundations and pipe racks. He has also had the privilege of work-ing on projects for Atlantic LNG; Petrotrin, NCC; TCU; Trinmar and YARA Trinidad.

Brendon is a level 1 certified PT in-staller certified with the Post Tension-ing Insti-tute and has been responsible for designing over 80,000 sq.m of PT foundations currently in service in Trinidad.

Brendon Inniss
Managing Director
Senior Structural Engineer
BSc, MSc, R.Eng MAPETT, MASCE

SERVICES WE OFFER

03

Aleron provides the necessary documentation to facilitate the complete construc-tion of building and non-building structures. This docu-mentation entails:

- Fully detailed construction drawings (structural)
- Comprehensive design calculation reports for peer review and/or statutory approval
- Technical specifications
- Scope of works
- As-built drawings

Other services we provide are as follows:

- Value engineering services to contractors (who have pre-engineered, over-designed structures to build) by utilizing the latest construction techniques and materials.
- Forensic and diagnostic engineering assessment of existing structures that are required to support increased loading (common within the energy sector).
- Conducting condition surveys of existing structures (a requirement for financial lending institu-tions).
- Preparation of structural assessment reports (repair recommendations or dispute resolution).

The services we provide encompass a broad range of sectors and these are out-lined below:

Product Packaging

Designed innovative and visually appealing product packaging that effectively communicates brand identity and enhances customer engagement.

Event Branding

Comprehensive Event Branding: Offline Hoardings, Standee Designs, Invitations, and More
